- 456—1796. Bolender does not seem to describe this die. Obverse/small star touching the hair, die dot above 1 of date. The reverse letters are large, as in B4 and B4a. If it is a B4, then the top curl on obverse should be perfect; it is imperfect. If it is a B4a, then LIBERTY should not be bifurcated; it is bifurcated. Curiously, all 3 varieties are rare. Perhaps this unlisted variety is a prize. Very fine.

### **NEW ORLEANS HALF DOLLARS**

- 649—Unusual offering of almost all dates of half dollars minted at New Orleans. The first date, 1838, is extremely rare and is not included. Other missing dates are 1840, 1850, 1892 to '95 and 1897. The 1839-O is very fine and cost Mr. Malcolm J. Posey \$52.50 severol years ago. The large and small dates of 1842 are included, the former being uncirculated. Through the 1861 date, all coins are very nice, with mony uncirculated or almost so. In the Barber series, only the 1899 and 1907 ore uncirculated, the others only space-filler. Thirty-five coins in National Coin Pages and album. Worth \$375.00.

### **U. S. LARGE CENTS**

#### **From Carabin Collection**

##### **With Additions**

- 650—1793, Sheldon 3, Crosby 3C. A shorp, extremely fine 40 on reverse; some obverse pitting. \$200.00.  
 651—Sheldon 11C, Crosby 11J. Lettered edge, single leaf variety. A pleasant olive-brown, fine. \$100.00.  
 652—Another Sheldon 11C. Extremely fine with light brown surface. Rare in this condition. \$300.00.  
 653—Sheldon 13, Crosby 12L. The popular Liberty cap cent. One of the better-known specimens of this rare variety in very fine condition. This coin should bring \$750.00.

- 654—1794, Sheldon 30, (H 37, C 32). The marred field, tailed reverse. VF 35. \$42.50.  
 655—1795, S 76B (D 66, CN 4). Plain edge, ONE CENT high. A pleasing olive-brown. About XF-40. \$70.00.  
 656—1795, S 78 (D 70, CN 6). Plain edge, ONE CENT central. Well struck and perfectly centered. Uncirculated. Worth \$140.00.  
 657—1796, S 84 (G-D, CN-D). The open mouth obverse, 6 low and close to 9. Three leaves under AM and UN. Rarity 3, VF-30. \$90.00.  
 658—1797, S 123 (D 106, CN 6). Closest date; there is always a small cut on the cheek below the I. A lustrous, olive-brown, uncirculated coin with proof-like surface. Worth \$200.00.  
 659—1797, S 139 (D 105, CN 22). Heavy die crack at left from rim through hair. Fraction bar connected to right ribbon. Sharp and attractive. VF-35. \$50.00.  
 660—1800, S 197 (D 146, CN 10). The popular Q variety. Easily XF-40. The uncirculated Clarke specimen sold for \$180.00; this worth \$85.00.  
 661—1801, S 219 (D 156, N 6). The famous "3 errors" reverse. The U in UNITED was punched in upside down, giving the effect of two I's; the fraction is 1/1000; and the left stem of the wreath is missing. A sharp, lustrous coin with dark surface, well-centered. Extremely fine-40 and scarce in this condition. Superior to most known specimens sold recently except, perhaps, the Williams piece. \$175.00.  
 662—1802, S 226 (D 173, N 2). The 1 touches hair; rim break below 802, impressed denticles at point of bust. Lowest pair of inside leaves are stemless. VF-35. \$45.00.  
 663—1802, S 235 (D 178, N 13). The 8 is low. The die has been injured at RTY. The reverse die has crumbled. This is a rare variety and seldom appears better than fine. This extremely fine specimen should bring a price. \$110.00.  
 664—1803, S 255 (D 187, N 13). The 03 are close. Otherwise the date is very wide. The fraction bar is too far to the right. VF-30. \$30.00.  
 665—1803, S 264 (not in D, N 23). The famous large 3, small fraction variety. Only very good-fine but very rare. Records to \$90.00.

- 666—1804, S 266 (D 198). A very choice extremely fine-40 of the perfect die variety. This beautiful coin has an olive surface and is most attractive. Only recently I had occasion to examine the Hines specimen and it was offered to me at \$1750.00. I submit that the present offering is just about its equal. However I would not expect it to bring over \$1000.00.
- 667—Anoth S 266, this one having the obverse and reverse rim breaks. This rare date is always in demand. A desirable coin, VF-25, perhaps a bit better. Worth \$200.00.
- 668—A third S 266, this one having only the obverse die break. A pleasing specimen, about fine. \$185.00.
- 669—1805, S 267 (D 199, C 1). The blunt 1; 5 recut at top and bottom touches drapery. VF-25. \$35.00.
- 670—1806, S 270 (D 202). A scarce date. Wavy die lines from chin to throat, about XF-40. \$67.50.
- 671—1807, S 271 (D 205, C 4). Perfect date, the famous COMET variety. A lovely medium brown. AU-50. The MS-65 out of the Clarke Collection sold for a record price of \$550.00. This increasingly popular variety should bring \$250.00.
- 672—1807, S 276 (D 207, C 6). The perfect date. ER close to hair. Large E lower than B, upset reverse. Delightful olive-brown, XF-40. Superior to the Clarke specimen. \$65.00.
- 673—1808, S 277 (D 208, C 1). The 12 star variety. A delightfully attractive cent with brown, even surface. About uncirculated and very rare for an 1808 cent. About as nice as the Dupont piece which sold for \$275.00.
- 674—1808, S 278 (D 209, C 2). Rarest of the 1808 varieties, attractively dark surface though with light pitting. VF-25. \$40.00.
- 675—1809, S 280 (D 210). The 9 is recut. A rare and popular date, attractive despite some pitting. VF-25. \$55.00.
- 676—1810, S 284 (D 214, C 4). Scarcest of the varieties of 1810. Rarity 3. About equal to the Pearl specimen, better than Downing's or Dupont's. \$60.00.
- 677—1811, S 286 (D 215, C 1). The popular and scarce over-date variety. VF-35. Perhaps more like extremely fine. Worth \$75.00.
- 678—1811, S 287 (D 216, C 2). The perfect date variety in uncirculated condition with some originol red. Highly desiroble. \$225.00.
- 679—Another S 287. Olive-brown, VF-30. \$65.00.
- 680—1812, S 290 (D 219, C 3). The small date. A sharp specimen with glossy surface. Very attractive and about uncirculated. One of the finer specimens of this variety. \$90.00.
- 681—Another S 290, VF-30. \$25.00.
- 682—1813, S 292 (D 221, C 1). The distant star variety. VF-30. \$30.00.
- 683—1814, S 294 (D 224, C 1). The crosslet 4 variety. VF-35, perhaps better. \$25.00.
- 684—1816 Newcomb 1. Olive-brown, AU-50. \$14.00.
- 685—1817, N 6. Dark brown and olive, XF-40. \$12.50.

- 692—1821, N 1. Closed date, a sharp VF-35. \$40.00.
- 693—1822, N 4. Almost uncirculated, though it has slight abrasion. A red-brown, lustrous appearance. \$60.00.
- 694—1822, N 11. Extremely fine-40. \$20.00.
- 695—1823. The restrike coined from the genuine dies which were discarded by the mint. Proof-like. \$35.00.

- 703—1828, N 1. The small date. A medium brown proof, very scarce. With the increased demand for large cent proofs, this coin should now bring \$150.00.
- 704—1828. This has the appearance of an obverse 7 and reverse 6. It seems more like the 7 with the die crack only through 28, 13th and 12th stars. VF-30. \$12.50.
- 705—1829, N 2. However, IBER do not touch as Newcomb indicates. VF-35. \$7.00.

- 706—1830. Does not fit any Newcomb description. Left edge of the curl is over the left outside curve of O, complete inner line near border. Top and cross stroke of E recut, also tail of R. VF-30. \$9.00.  
 707—1831, N 6. About XF-40. \$10.00.  
 708—1831, N 6. VF-35. \$8.50.

MONEY TALKS AND so do the customers.

**PLEASED WITH COINS . . . A. J. B.**  
**EVERYTHING VERY NICE . . . H. R. C.**  
**VERY HAPPY WITH THE LOTS . . .**  
**F. E. B.**

COIN IS A BEAUTY—at less than bid price . . . R. W. O.

QUITE SATISFACTORY, as all my dealings with you have been since that first purchase from you at the Numismatic Gallery in N.Y. around 1945 . . . P. A. K.

CLARK-MELISH LIBRARY Edition an accomplishment of masterful production, goes with the other Kosoff master editions in my library . . . Lou Werner.

**BEAUTIFUL JOB. I am grateful for my copy . . . R. L. M., Jr.**

GREAT CATALOGUE; every collector should own one . . . A. N.

**ALL O.K., AS USUAL . . . Ted Kem.**

1956 A BIG YEAR, and with January 1957 behind us, we foresee an even bigger one.

HAVE YOU NOTICED the new ANA memberships? February listings at a new peak and these new collectors need the same old coins.

UNCLE SAM OBJECTS to competition and won't permit anybody else to manufacture these coins.

**INCREASING DEMAND against a supply which cannot be increased puts the old law to work; result—higher prices.**

I WOULD LIKE to buy your collection or duplicates, if you are considering selling.

**SO WOULD A LOT of other dealers. I cannot promise miracles for you, BUT—you can count on getting all to which you are entitled. Ask the many who have done business with A. K.**

MY BEST ADVERTISEMENTS are not written, they are walking. "A. K.'s O.K.," they'll tell you.

**ANNUAL REMINDER—PROTECT YOUR ESTATE.** Your coins may represent a major portion of your estate. Would you have an attorney draw up your will—or would you leave that to a casual acquaintance?

CASUAL ACQUAINTANCES handle more coin estates than you would imagine. Don't let your estate suffer because you neglected to take ordinary precautions.

**LEAVE INSTRUCTIONS** to guide your executors. You know in whom you can place your confidence. Give your executors the benefit of your experience, or sure as shooting they'll be smooth-talked into a bad deal. Put it in writing.

## DONLON SALE SETS MANY RECORDS

By this time you have read about the record-breaking sale of the Donlon Collection. Held in Beverly Hills, California, over the Thanksgiving Day Week-end, the sale was attended by many collectors as well as dealers from all parts of the country.

With new highs of \$1375.00 for a 1796 quarter and \$1525.00 for a 1796 half dollar leading the way, the collection realized a total of over \$114,000.

Observers credit the excellent results of this as well as other Kosoff auctions to the concentrated effort put forth on each project. No over-the-counter trade to interfere with the cataloguing and planning; no million and one phone calls to break a train of thought; no rush to get your coins sold this month so that Mr. Jones' coins can be rushed through next month.

The secret is in the concentrated planning, the careful cataloguing and the support of loyal and satisfied customers. When you sell, hire the man who is geared to do the job right.

## MEET ME IN ST. LOUIS

With one big sole after another in 1956, I had to forego the pleasure of attending the sectional conventions.

In April, however, I will attend the California State meeting in Vallejo on the 11th through 14th, and from the 25th through 28th I will be in St. Louis for the Central States affair.

I hope to see you there, or en route if you wish.

—A. (Meet me in St. Louis) K.
